

Announcement

10th International Congress on Oral Cancer

Creta Maris Conference Center, Crete, Greece

19–24 April 2005

Congress theme: The oral cancer patient: the anthropocentric approach to a multidisciplinary problem.

The congress will include keynote lectures, limited attendance courses, and submitted presentations. Deadline for submission of abstracts is 30 November, 2004. Accepted abstracts and posters will be published in *Oral Oncology*, for details see: <http://www.harcourt-international.com/journals/oron>

Social events include the President's reception, Cretan Night, and gala dinner. Further congress details and registration can be found at: <http://www.icooc-2005.org>, or from the congress president at rapidis@icooc-2005.org

The 10th International Congress on Oral Cancer is supported by the World Health Organization, the International Union Against Cancer, the International Congress on Oral Cancer, the Hellenic Association for the Research and Treatment of Oral Cancer, and the Hellenic Cancer Society.
