

PRESENTATION OF  
**RESEARCH POSTERS**  
AT THE  
**BIENNIAL CONGRESS OF THE  
EUROPEAN SOCIETY OF ENDODONTOLOGY**  
Dublin, 15–17th September 2005  
**INSTRUCTIONS**

## **1 GENERAL INFORMATION**

Abstracts must be original, and neither have been published nor be under consideration by another journal. All abstracts will appear in the Congress Research Booklet but only those presented at the congress will be published in the *International Endodontic Journal*. Submitted abstracts will be reviewed by the ESE Research Committee. Those that are not relevant to Endodontology, are over-length or technically deficient will be rejected; authors will be notified whether their abstract has been accepted or rejected.

### **ABSTRACTS RECEIVED AFTER 15<sup>TH</sup> JANUARY 2005 CANNOT BE ACCEPTED**

It is essential that instructions be followed meticulously to provide clear and structured abstracts. Where English is not the native language of the author, he/she is advised to seek assistance.

#### **An author cannot present more than one poster but may be a co-author on other abstracts**

The Congress Organisers, the ESE Research Committee and the ESE Editor will monitor submissions to ensure compliance.

**Abstracts must be submitted via the internet on <http://www.e-s-e.org> and be no more than 300 words. Care should be taken to follow the on-line instructions in order to complete the web-based forms accurately.**

## **2 DETAILS**

### ***AUTHORS AND INSTITUTIONS***

Family names (surnames) and initials of each author must be entered on the web-based form (see Point 3 below) together with the institution(s) and address(s). The presenting author must be indicated.

### ***TITLE***

The title must be concise, indicative of the content of the abstract **and not exceed 15 words**. Use lower case letters except for the first letter of the title.

## **CONTENT OF ABSTRACT**

The abstract should be structured and contain a concise statement of:

- (1) the aim of the investigation after **Aim**:
- (2) the experimental method used after **Methodology**:
- (3) the results obtained after **Results**:
- (4) brief conclusions after **Conclusions**:

Illustrations and tables must not be included. Do **NOT** state 'The results will be discussed'.

Following a full stop at the end of each sentence insert only 1 space before the next sentence. Between all words use only 1 space. For percentages use the % symbol and round up to nearest whole number. Use a full stop (.) to indicate a decimal place.

References should not be included.

With a commercial product the text should contain the product's name, with the manufacturer and country in parentheses.

Prior to on-line submission of Abstracts, Authors are advised to view the abstracts of the 11th ESE Biennial Congress in Athens that appeared in the International Endodontic Journal 2003; 36: 921–958; this is available on line at: <http://www.blackwellpublishing.com/iej> – see link to the Synergy site on the top right of screen.

## **MODE OF RESEARCH PAPER**

At the research sessions of the biennial conference posters will be the only mode of presentation, other than for the ESE Research Prize (see separate regulations at <http://www.e-s-e.org>). Applications will be on a first-come, first-served basis, and selection by assessors.

## **POSTER PRESENTATIONS**

Posters **MUST** be written in **ENGLISH**. The responsible author should be present at the poster site, remain alongside as scheduled in the conference programme and deliver a short overview of the poster in English during the discussion session. There will be no reduced registration fee for presenters. Please follow instructions given on the ESE web site (<http://www.e-s-e.org>) for details of the dimensions of the posters and how they will be mounted.

## **3 ENTRY PROCEDURE**

Authors should submit their abstract on the relevant form found on the ESE web site – <http://www.e-s-e.org>

**Authors who are unsure of the procedure may contact the Chair of the ESE Research Committee:**

**Prof. Dr. Roland Weiger**  
**Klinik für Parodontologie, Endodontologie und Kariologie**  
**Zentrum für Zahnmedizin/Universität Basel**  
**Hebelstr. 3**
