## The Swiss Society for Endodontology (SSE) calls for participation in Table Clinics

Meeting: "HiEndo - New Technologies" 22-23 January 2010, Berne, Switzerland.

Details: Colleagues are invited to present during a 3 hour Table Clinics session, with 20 possible places available, acceptance on a first-come, first-served basis and with a view to diversity of presentations.

Each Table Clinic participant will be provided with a table and electrical power outlet (Swiss standard 220V outlet, 3 pole). All other materials will be provided by the participant. The duration of the presentation should not exceed 30 minutes. In addition it would be helpful if presentations were made in normal speaking volume so that neighbouring table presentations are not handicapped.

Presenters of accepted Table Clinics will receive free admission to the 2-day Conference and two invitations to our informal, and ever popular, get-together party on the evening of Friday, 22 January 2010.

Please apply in writing to the SSE Conference Secretariat, PO Box 8225, CH-3001 Berne, or by e-mail to [sekretariat@endodontology.ch](mailto:sekretariat@endodontology.ch) together with the following information:

- Personal information in the form of a short Curriculum Vitae
- Theme and duration of your presentation
- Type of presentation (eg PowerPoint presentation, posters, flip chart, practical demonstration, etc.)

Your application will be processed within 2 months of receipt.

At this timepoint, at the very latest, you will receive a decision (Acceptance/Rejection) for your application.

Conference Committee, Beat Suter

## 22nd Jordanian Dental Congress

The Scientific Committee of the Jordan Dental Association is planning to invite several Lecturers in Clinical Dentistry to speak in the 22nd Jordan Dental Congress to be held at LeRoy Hotel in Amman, Jordan between March 30 - April 2, 2010. In doing this we take the opportunity to learn from others and strengthen the scientific relationship between us. Because of money shortages we can only cover the cost of full accommodation (including transportation, hotels and food). We cannot contribute to the cost of air tickets. We extend this invitation to you to come to Jordan according to these conditions. Abstracts must be submitted to <http://www.jda.org.jo> or sent by [congress@jda.org.jo](mailto:congress@jda.org.jo) no later than December 31, 2009.
