

Corrigendum

The acknowledgement in the article “Tissue-engineered ligament: implant constructs for tooth replacement”, which was published in Volume 37 Issue 8 of the *Journal of Clinical Periodontology* was in part incorrect. It should read as follows:

We thank Dr. D. van Steenberghe (Leuven, Belgium) for performing the analysis shown in Table 1 in parallel to

P.G., and R. Delaporte, M. Baali, J. Meiller and S. Liabeuf (Natural Implant) for expert technical assistance. Dr. W. Beertsen (Amsterdam, The Netherlands) gave valuable comments on an earlier version of the manuscript, and Dr. P. Odgren (Worcester, Massachusetts) revised the final text.

The authors apologize for these errors.
