

SPECIAL REPORT

Annual Report of the American Board of Prosthodontics

Reported by Thomas D. Taylor, DDS, MSD, Executive Director

THE AUTUMN examinations (2005) were held October 29 through November 1 in Los Angeles in conjunction with the American College of Prosthodontists annual scientific session. Fifteen candidates participated in Part 2, 14 candidates participated in Part 3, and 21 candidates participated in Part 4 for a total of 50 examinations. Twelve candidates successfully completed the examination process and were certified as diplomates.

The winter examinations were held February 26 through March 1, 2006 at the American Dental Association building in Chicago. Twenty-three candidates participated in Part 2, 23 candidates participated in Part 3, and 26 candidates participated in Part 4 for a total of 72 oral examinations. Eighteen candidates successfully completed the examination process and were certified as diplomates. Results of the November 2006 examinations will be reported in the January-February 2008 *Journal*.

For the first time in Board history the written Part 1 examination was not given in Chicago in conjunction with the oral examinations. The written examination was given April 7, 2006 on a computerized basis at over 200 professional testing centers nationwide. Ninety-six candidates participated in the examination. Two candidates completed the entire examination process and were certified as diplomates at that time.

During this 2005–2006 reporting period a record number (30) of candidates completed the examination process and were certified as diplomates.

Dr. Jonathan Wiens was elected to serve on the Board replacing Dr. Stephen D. Campbell, whose term expired in November 2006.
