

Plenary Programme

Xerostomia and Hyposalivation: Mechanisms and Solutions - Friday 24th September

Chairs

Professor Isaäc van der Waal (Past president EAOM, The Netherlands)

Professor Crispian Scully (Past President EAOM, UK)

Hyposalivation: Prevalence, assessment, differential diagnosis and quality of life impact

Professor Stephen Porter

UCL Eastman Dental Institute, London (UK)

Contemporary imaging in salivary gland disease diagnosis

Dr Jackie Brown

Guy's and St Thomas' NHS Foundation Trust, London (UK)

Drug related hyposalivation: a review of physiology and sites of drug action

Professor Gordon Proctor

King's College London Dental Institute (UK)

Viral infections of salivary glands resulting in hyposalivation

Associate Professor Jennifer Webster-Cyriaque

School of Dentistry UNC Chapel Hill (USA)

Immunopathology resulting in hyposalivation

Professor Roland Jonsson

The Gade Institute

University of Bergen (Norway)

Systemic associations of hyposalivation

Dr Elizabeth Price

Gloucester Hospitals NHS Trust (UK)

Ocular associations of hyposalivation

Professor Sue Lightman

Institute of Ophthalmology, London, (UK)

Managing hyposalivation: therapeutic challenges

Dr Philip C. Fox

Carolinas Medical Center, Charlotte, NC, USA. PC Fox Consulting (Italy)

Oral Lichen Planus: Fresh Perspectives on a Common Disease - Saturday 25th September

Chairs

Professor Peter Reichardt (Past President EAOM, Germany)

Professor Antonio Carrassi (Past President EAOM, Italy)

Oral lichen planus – the controversy continues...

Professor Mats Jontell

Institute of Odontology, Sahlgrenska Academy, University of Gothenburg (Sweden)

The current understanding of the aetiology of lichen planus

Professor Martin Thornhill
